If the lies weren't bad enough...

No tax increases. Low unemployment. Slashing the deficit in half. No individual mandate. No abortions in ObamaCare. Millions of new jobs. Five days of public comment before signing a bill into law. Open government.

These are just a few of the 69 Obama Lies chronicled in these pages. In fact, the pattern of lying has become so pervasive that it's hard to keep track of what Obama actually said. That's why we've compiled his lies here in one handy resource.

And as if the lies weren't bad enough, we've thrown in a few things we wish he had lied about! Like wealth redistribution. And Obama's desire for higher gas prices. Because whether he's lying or just deceiving, this president has launched an all-out attack on our Constitution and way of life. It's time to shine the light on 69 Obama, Lies, Deceptions and Attacks on our Constitution and Way of Life.

Quick Read Filled With Unnecessary Commentary

By Lyle J. Nielsen

This book is a good starting point for anyone confused or uneducated regarding President Obama's politics and policies. However, the writing style of the authors really bothered me. Though I agree with everything written, I don't need the author constantly telling me that Obama is a socialist, communist, community organizer, liar, etc, etc. Such interpolations are so prevalent in the book, that it serves to discredit the authors and reduce them to water carriers for the Republican Party, much like Rush Limbaugh or Sean Hannity. Because of this, it made reading the book seem like listening to Sarah Palin for a couple hours straight listing off as many Fox News talking points as possible. The facts presented in the book are fantastic, as well are the direct quotes taken from President Obama. These are the redeeming factors of this book, and prove very damning for the President, indeed. Everything in between is unnecessary and annoying, and had me skimming quickly to get to the point trying to be made.

almost as deceitful as the man himself

By Robert Zaniewski

truly disappointed that so much negative could be written about the leader of the free world. Just too much of an indictment to be believed yet too much presented to deny that a thread of truth might be there.

69 Obama Lies

By Dale G. Tritsch

The item was described well and picture was accurate. Product as described. It was sent to my Kindle. I would highly recommend this seller.
