The BENNING Legacy

MR. AUGUST

The Montana Man: He'd lived for his son and the land—until she came into his life...

His Mystery Woman: She was called Sierra. She was beautiful and vulnerable, and he felt an immediate connection to her.

All rancher Clint Barrow knew was her name. But from the first he'd needed to stake his claim. He'd brought her home to heal, but as the days stretched into long, hot nights, Clint wanted the woman herself. And just when their denied desire exploded into full-blown passion, Sierra's past began to come clear. Would she soon have to leave her Montana man behind?

A sweet romance

By Cloggie Downunder

A Montana Man is the second book in the Benning Legacy series by American author, Jackie Merritt. Sierra Benning leaves behind California and her failed marriage, and heads north for some adventure. In Montana, she gets more than she bargained for: a winding mountain road and a fast-travelling truck on the wrong side of the road mean she is lucky to escape with her life. When she wakes up in the ICU, unable to remember anything, a handsome stranger is keeping vigil by her bed. Rancher Clint Barrow is the young truck driver's father, and he feels responsible for this young woman's welfare. Sierra may not know who she is, but she feels she can trust this man. A sweet romance with a charming hero, an appealing heroine and a dilemma: how can they start a romance when they don't know if Sierra is spoken for? The only flaw in this romance is that the amnesia is drawn out a little too long.
