By in this manner, you could truly obtain the significance of this publication **Aristophanes: Frogs. Assemblywomen. Wealth. (Loeb Classical Library No. 180) By Aristophanes** profitably. Exactly what do you consider our idea here?

## Review

As with the three previous volumes, Henderson has edited the Greek text anew, and provided a useful and lively translation. Each play features a general introduction containing a plot summary and discussion of major themes, a note on the text, and a list of major annotated editions...In just over four years Henderson has edited and translated the four volumes of the new Loeb edition of Aristophanes. Every volume is well edited, succinctly annotated, and so translated as to engage the reader in the humor and seriousness of the comedies. It is likely there will be more readers studying Aristophanes rather than fewer ones with the publication of this final volume. (Carl Anderson Scholia Reviews 2003-01-01)

# **ARISTOPHANES: FROGS. ASSEMBLYWOMEN. WEALTH. (LOEB CLASSICAL LIBRARY NO. 180) BY ARISTOPHANES PDF**

Aristophanes, one of the world's greatest comic dramatists, has been admired since antiquity for his iridescent wit and beguiling fantasy, exuberant language, and brilliant satire of the social, intellectual, and political life of Athens at its height. This is the fourth and final volume in the new Loeb Classical Library edition of his plays.

*Frogs* was produced in 405 BCE, shortly after the deaths of Sophocles and Euripides. Dionysus, the patron god of theater, journeys to the underworld to retrieve Euripides. There he is recruited to judge a contest between the traditional Aeschylus and the modern Euripides, a contest that yields both sparkling comedy and insight on ancient literary taste. In *Assemblywomen* Athenian women plot to save Athens from male misgovernance. They transfer power to themselves and institute a new social order in which all inequalities based on wealth, age, and beauty are eliminated—with raucously comical results. The gentle humor and straightforward morality of *Wealth* made it the most popular of Aristophanes' plays from classical times to the Renaissance. Here the god Wealth is cured of his blindness; his newfound ability to distinguish good people from bad brings playfully portrayed social consequences.

An excellent translation of Aristophanes' finest works

By PipBoy

This book, the fourth in Dr. Henderson's fine series of parallel translations, is perhaps the best of the series, containing as it does the comic masterpiece "Frogs," in my opinion the finest of Aristophanes' works. Henderson's translations are crisp, clear, and hilarious, and his extensive use of vulgarity is always textually and philologically sound (as a few comparisons of Liddell-Scott and the OED will surely reveal). In short, it is the definitive edition of Aristophanes' works, and the only translation accurate enough to be worth having on your bookshelf (and believe me, I've read quite a few).

This salty 'Frogs' has got legs

By noochinator

I had to read 'Frogs' for school, all the translations I'd found were awful, then I stumbled upon Mr. Henderson's translation and hit the jackpot. No Dryasdust prissiness here, the language is earthy and accessible, and the scholarly footnotes are also very well done.

Outstanding book

By Vassilios A.

Yes, Aristophanes was a genius in using satire to sting the then politicians. Oh! How we could we use his abilities today in the US!

I highly recommend this (and other similar) books to anyone who likes or loves to read excellent books with morals.

With this book I now have all of Aristophanes's plays to read over and over to my grandchildren, who love them. Thank you.
