herself, Butch steps in and offers up his services in any way the blonde beauty will take them.

Dr. Elizabeth Lister has successfully eluded a stalker since graduating med school. Detective Mike Bennett has been a thorn in her side since moving to the small town. The only man she'd met that not only sparks her irritation, but reminds her she's a woman with needs of her own. Can she set aside her conflicting feelings to let him protect her, or is running again the only viable option to keeping her sanity and heart intact?

Police Detective, Mike Bennett has had enough to deal with the way his sisters attract trouble. Between keeping them safe and searching for the man who killed his father, there's been no extra time for a relationship. Keeping his own gift a secret has been something that he's managed for his entire life, made even easier without the entanglements and distractions a girlfriend or wife would bring.

When new information surfaces and Elizabeth is the key to getting the retribution he so desperately desires, can he convince her to give up her new found freedom to settle the scores of the past. Or will he risk losing the one true chance at happiness he'd found in her arms?
