I knew we became friends for a reason because I was U and u were me!

By Nads M.

We had been friends since we were 15, tho we lost touch with each other we would still hail each other in passing whenever we saw each other. Little did I know we shared the same story, except ur perpetrator was ur dad but mine was my uncle my aunt's husband. I read ur book and cried like a baby when I remember what had happened to me and heard my aunt utter the same words ur mother did, "sweep in under the rug and not tell anyone else as if it never happened". I never wrote a book or spoke too much about it but I glad U did. If u ever need assistance with ur project in Jamaica I'm here. Thanks again for sharing ur story because it will help at least one little Monique out there somewhere looking for her Ray of Hope.
