## Review

Review from previous edition: "Clearly this is a superior revision guide, which stands head and shoulders above any comparable work. I would have no hesitation in recommending it to as wide a range of students as possible." --Dewi Williams, Lecturer in Law, Staffordshire University

"If a student is going to buy a revision guide then this is the only guide to have. It offers a comprehensive yet accessible approach to each topic at an appropriate level and provides a clear outline in a logical way with sufficient detail." --Hedley Christ, lecturer, Brighton University

"What a welcome relief from the monotony of revision! A Concentrate guide is not only bright and easy to use, but it provides students with a real chance to refine their knowledge of specific legal areas in the run up to the exams. Owning a Concentrate guide helps you to really concentrate on your revision." --Stephanie Lawson, Law student, Northumbria University
