FINDING SON HOUSE: ONE SEARCHER'S STORY FROM BRIGADE SOUTHERN PDF

Eddie J. "Son" House was the blues personified. The degree of his obscurity, contrasted with the lasting and far-reaching effect of his musical influence, is probably unequaled by any other artist in any art form. It just so happened that the "locals" he was content to play for included two teenagers, Muddy Waters and Robert Johnson, who would carry his musical style to future generations worldwide.

Blues radio program host Richard Shade Gardner was intrigued by Son House's lifelong fight with personal demons through cotton fields, churches, pulpits, prison, juke joints, and working for the New York Central Railroad in Rochester, New York. In 1981, he finally caught up with the legendary octogenarian in Detroit.

Great even when not that interested in the Blues

By Crabcake

Let me start off by saying that pretty much anything that Richard writes I will like. He is a blogger for the Rochester newspaper where I live, I've read 'Learning to Walk' by him and I just like his writing style. This book is another example of how much I enjoy whatever he writes. I too live in Corn Hill, where Son lived for a period of his life, I've lived here for 22 years and never knew a thing about Son, or him living here. Now I do. While his music is not something I am drawn to, I appreciated reading about his life and what shaped his music. I also like the story of Richard meeting Son and how his music related to his own life.

By Ann Patrice Carrigan

Ostensibly this fast and easy read profiles a meeting between the legendary Son House and the author. For me, it was a brief but intriguing literary work that shared much in common with novels where it is the "searcher" who is eventually revealed in the search. A wonderful read in which you are caught up in the intersections between a city that loves music, a man who breathes it and the enigma of Son House.

I really enjoyed this short read

By Prudence Nobles

I really enjoyed this short read. Never knew anything about Son and I have lived in Rochester all my life. Rich's last book, " Learning to Walk" was excellent also. I am waiting for Book 2 of the Trilogy. Rich has a wonderful way with words.
