Good work on Gangs

By Hugh R. Williams

This book, while being a textbook is none the less very interesting. The authors manage to avoid the very dry presentation that seems so common in textbooks/research works today. Of particular interest to me was the history of the gangs. The book is well laid out and a **MUST** for those who want to either work in gang research, learn more about gangs, or teach classes about gangs.

Great Book on Gangs. A must read!

By Amazon Customer

Very well written. This book gives an excellent insight to how gangs started and how they have evolved. The authors did a great job in documenting and presenting details on gangs. I would recommend this book for anybody interested in gangs or that is pursuing a degree and/or career in Criminal Justice.
