Understanding and treating adult victims of incest.

“Highly recommended as an authoritative text on incest and its treatment” and “essential reading for all therapists,” *Healing the Incest Wound* was a groundbreaking book that put incest studies and treatment on the map. Now, almost 20 years later, this bestselling text is fully updated, offering the most current studies and findings on incest typologies, dynamics, and treatment strategies. Drawing on cutting-edge research on incest and other forms of child abuse, it includes attention to their neurological, attachment, affective, and dissociative sequelae. Courtois—a veteran practitioner and an expert in complex traumatic stress disorders resulting from chronic child abuse—presents a comprehensive revision to this classic treatment manual for therapists.

No better book at present

By Beowulf

I use this as a primary text in my Graduate level "Counseling victims of sexual trauma" class. It is not an easy read, especially for those who have gone through these issues. It is also a scholarly text, well researched and well written. If you are a survivor of incest, there are easier and possibly more appropriate books to read. If you are looking to understand the nature of the trauma and symptoms as well as some treatment methodologies, then this is the place to start. Dr. Courtois is a leader in the field, and this text reinforces that.

excellent resource

By S. Thomas

I have found this book to be an excellent resource. Clients have also found it useful to know they are not alone in the after-effects of incestuous relationships

10 of 11 people found the following review helpful.

Outstanding

By Elise

This book was the most wonderful I had ever read on understanding the dynamics of incest, it's incredible impact on it's victims, and the importance of validation.

I found myself in many of the pages as the answers in this book connected all the dots to this horrific crime against it's victims. I highly recommend this book to anyone who has suffered through incest!
