It will certainly not trouble you to reduce your important time to choose shopping publication in store. By doing this, you will likewise spend cash to pay for transportation as well as various other time invested.

HOW TO BE A GOOD WIFE FROM BODLEIAN LIBRARY, UNIVERSITY OF OXFORD PDF

Don't think that your wife has placed waste-paper baskets in the rooms as ornaments.

Don't forget that very true remark that while face powder may catch a man, baking powder is the stuff to hold him.

Marriage can be a series of humorous miscommunications, a power struggle, or a diplomatic nightmare. Men and women have long struggled to figure each other out—and the misunderstandings can continue well after they've been joined in matrimony. But long before *Men Are From Mars, Women Are From Venus*, couples turned to self-help booklets such as *How to Be a Good Husband* and *How to Be a Good Wife*, two historic advice books that are now delightfully reproduced by the Bodleian Library.

The books, originally published in the 1930s for middle-class British couples, are filled with witty and charming aphorisms on how wives and husbands should treat each other. Some advice is unquestionably outdated—"It is a wife's duty to look her best. If you don't tidy yourself up, don't be surprised if your husband begins to compare you unfavorably with the typist at the office"—but many other pieces of advice are wholly applicable today. They include such insightful sayings as: "Don't tell your wife terminological inexactitudes, which are, in plain English, lies. A woman has wonderful intuition for spotting even minor departures from the truth"; "After all is said and done, husbands are not terribly difficult to manage"; or "Don't squeeze the tube of toothpaste from the top instead of from the bottom. This is one of the small things of life that always irritates a careful wife."

Entertaining and charmingly illustrated, *How to Be a Good Husband* and *How to Be a Good Wife* offer enduringly useful advice for all couples, from the newly engaged to those celebrating their golden anniversary.

Wife and Husband Books Charming and Apt

By Betsey Hansell

I purchased these books a few days before my daughter's wedding and presented them at the rehearsal dinner. The couple began reading aloud from them, amusing guests who nodded at the truth of each statement despite the old-fashioned scenarios. Someone made off with the bride's copy and she phoned from her honeymoon to beg for another.

Excellent companion to the Husband version

By Terri

Excellent companion to the Husband version. Loved this little book of tidbits, advice and instruction. Also like to leave these books setting here and there neatly around the house for guests to flip through and enjoy. Fun read, while being very useful even in today's culture.

2 of 2 people found the following review helpful.

perfect for Wedding shower

By Chris S. Taylor

I love, love, loved this "mini" book as did my mom. The old-fashioned advice is simply charming, and it is the perfect addition to a wedding shower gift.
