KAPLAN MEDICAL ASSISTANT EXAM REVIEW BY DIANN L. MARTIN PHD RN, KAPLAN PDF

A complete guide to certification for the medical assistant, one of the fastest-growing occupations in the United States.

Medical assisting is one of the fastest-growing professions in the United States and is showing one of the highest growth rates of any profession. Certification for medical assistants opens the door to opportunities and higher salaries, is required by many managed care organizations, and may become legally mandated in the near future. Medical assistants held 417,000 jobs in 2007 and the number continues to grow. Recertification is required every five years. Kaplan Medical Assistant Exam Review provides a complete guide to certification for the medical assistant.

Very Helpful

By SC93

I just took the RMA exam and scored a 94. This book was very helpful. There were several questions on my test that are in this books practice test. I know the questions are changed often on the official test, but I think

this book has a lot of good information in it and will be very beneficial for anyone studying for the exam.

10 of 10 people found the following review helpful.

Excellent Resource

By Amazon Customer

This text is written in very easy to understand language and follows the format of the actual exam material. I recommend this for any MA student or Medical Assistant who is thinking of taking the CMA or RMA exam.

10 of 12 people found the following review helpful.

Very informative

By Rod

My wife says she loves it. It is very informative and has lots of good information in it. She would suggest it to anyone who is studying for the RMA exam.
