It could change your view of the Christian Life!

By Jonathan Hogan Author

Bob Goff takes the complexity out of Christianity and puts plain old basic love back into it. There is nothing in this book that Bob does that anyone anywhere couldn't do. His love does approach to life has created a synergy, similar to what Jesus walked in. It isn't focused on building something but rather being something, Love. I highly recommend this book to Christians looking for ways to express the love they feel in their heart. It will open your mind up to new possibilities while dusting off crusty old religiosity. Love Does!

Incredible, joyful read!

By J. Case

This is an inspiring book. I first heard of Bob in a Don Miller book. Then I read a devotional by Bob in the You Version Bible App. This book was the natural progression for me. I thoroughly enjoyed the heartfelt compassion and the deep wisdom of the author. His writing and stories struck a place deep in my soul for more risk, passion, joy, yes and whimsy in my life. What a joyful experience. Love truly does!

Love does!

By abcreader

I love that God speaks to us through so many other ways other than audible. I've only read through Love Does once so far, but I'll definitely go through it again. Bob encourages us all to actually engage with Jesus instead of just "stalking" Him.
