An earlier edition of this reference book was the text ...

By Randolph Hilman

An earlier edition of this reference book was the text used by my pre-licensing instructor. Now that I'm licensed, I still keep an updated version on my reference bookshelf. It is simply a must have resource for any agent who dares to practice real estate in today's ever-more complex regulatory environment. I buy an updated copy at least every three year. In a profession which even the National Association of REALTORS® says is hobbled by incompetence and unethical behavior, "Modern Real Estate Practice" is a guiding light.
