This is the site that will supply all guides that probably you require. Are guide's compilations that will make you feel interested to check out? One of them here is the Mr. Knightley's Diary By Amanda Grange that we will certainly suggest.

Why need to be this book *Mr. Knightley's Diary By Amanda Grange* to read? You will never ever get the understanding and encounter without getting by yourself there or attempting by yourself to do it. For this reason, reviewing this publication Mr. Knightley's Diary By Amanda Grange is needed. You can be fine as well as proper sufficient to obtain exactly how crucial is reading this Mr. Knightley's Diary By Amanda Grange Even you constantly read by commitment, you can assist yourself to have reading book routine. It will be so valuable and fun after that.

But, just how is the method to obtain this book Mr. Knightley's Diary By Amanda Grange Still puzzled? It does not matter. You could take pleasure in reading this book Mr. Knightley's Diary By Amanda Grange by online or soft file. Simply download the e-book Mr. Knightley's Diary By Amanda Grange in the web link supplied to check out. You will certainly obtain this Mr. Knightley's Diary By Amanda Grange by online. After downloading and install, you can save the soft documents in your computer or gizmo. So, it will reduce you to read this e-book Mr. Knightley's Diary By Amanda Grange in certain time or location. It may be unsure to take pleasure in reviewing this e-book Mr. Knightley's Diary By Amanda Grange, considering that you have whole lots of job. Yet, with this soft file, you can take pleasure in reading in the leisure also in the voids of your jobs in office.

# MR. KNIGHTLEY'S DIARY BY AMANDA GRANGE PDF

Relive Jane Austen's Emma- from Mr. Knightley's point of view.

Between managing his estate and visiting his brother in London, Mr. Knightley is both exasperated and amused by his irresistibly beautiful, outrageously mischievous neighbor, Emma Woodhouse, whose misguided attempts at matchmaking are wreaking havoc in the village of Highbury.

But when a handsome newcomer arrives and catches Emma's attention, Mr. Knightley is shocked by his reaction. Amusement gives way to another emotion entirely-for his unreasonable dislike of the handsome newcomer seems suspiciously like jealousy.

A trifle tedious.

By J. Lesley

Mr. Knightley's Diary was just a little slow and tedious for me. I don't think this can all be put at the feet of Amanda Grange except in her choice of subjects. Anyone who has ever read EMMA by Jane Austen knows that Knightley is not as often at the forefront of that novel as some other Austen lead male characters. This caused Ms Grange to use her imagination to a much greater extent in giving us Mr. Knightley's thoughts and even some of his words.

It became rather boring reading about him dining in someone else's home practically every night. This was the major way Ms Grange conveyed the action for this book and is, indeed, how it happened in EMMA. The saving grace for EMMA was that we saw many, many more character interactions for that main character and since she was the lead in the book, we got much more actual conversation. I wish I had counted how many times Knightley was portrayed as walking to Hartfield. Surely it must have numbered close to a hundred because the book covered a full year in the lives of these characters.

Also, Mr. Woodhouse and his continual grouching just plain got on my nerves. I don't remember having that reaction to him in EMMA so I'm not quite sure why he irritated me so sorely in this book, but he did.

Somehow this book did not portray any passion and not very much feeling for me. If I had never read EMMA, this book would not tempt me to pick it up. I read Mr. Darcy's Diary by this author and rated it 4 solid, lovely stars. This one is O.K., but the stars are mostly given out of appreciation for previous books written by this author. I just don't think she had enough material to work with. Mr. Knightley is certainly no Darcy or Wentworth!

A Diary Worth Reading!

By MrsDarcy

Although I had heard of some of Amanda Grange's previous books, such as Mr. Darcy's Diary, I had never read them. Recently, I got the chance to read a copy of Grange's Mr. Knightley's Diary and found that it is a fantastic take on Jane Austen's Emma.

I haven't read Emma in probably a couple of years, so it was refreshing to read the story through Mr. Knightley's eyes. He's a very interesting character and I don't know him as well as Mr. Darcy.

Grange takes the reader into Knightley's (should I be so bold as to address him as such? Emma might not like it.) world and enables us to go with him when he is absent from Highbury. Readers of Emma will remember that Knightley misses Miss Taylor and Mr. Weston's wedding because he is in London. In Mr. Knightley's Diary, the reader is with him! We get to find out what he is doing when he is not with Emma. Haven't you always been curious?

The diary spans just over a year and recounts any number of events found in the original novel in a slightly different, more masculine way. Knightley is constantly worrying about Emma's behavior, hoping she will be more mature and leave off matchmaking, and trying to decide if, and who, he should marry. Just as Emma tries to pair Harriet with various gentlemen, Knightley meets several women (including Jane Fairfax) and tries to see if he feels any sparks with them. Of course, as we all know, in the end only Emma will do.

Our favorite (and not-so-favorite) secondary characters still play largely in this novel, though through Knightley's eyes. Mr. Woodhouse is still the same old valetudinarian that we all love (and wish would stop saying that cake is bad for one's health!). Mr. Elton and his wife, as always, quite irritating, though Knightley is polite. He finds Frank Churchill to be somewhat suspect, rather than the charming gentleman the ladies believe him to be. We also see more of Knightley's brother John and his wife, Emma's sister. I was quite glad to read more about them, as they are not a huge part of Emma.

I highly recommend Mr. Knightley's Diary to all Jane Austen fans. It was a very enjoyable take on a beloved book.

Quick, easy read but not as good as Mr Darcy's or Captain Wentworth's Diary

By Christina Boyd

I pre-ordered this and have been so looking forward to reading the POV of Mr. Knightley, unfortunately he wasn't as captivating as the hero's in Mr. Darcy's Diary or even Captain Wentworth's. He didn't have much of a sense of humor either. I didn't feel much angst or sympathy for him because his love for Emma didn't become apparent even to himself until more than 2/3 way through. I felt Mr. Knightley was a more complicated character than what was conveyed here in this Diary. Nonetheless, it is interesting and for those that want a quick reminder of Emma or just have to have all the latest Jane Austenesque novel, this book is worth the purchase and certainly will compliment any collection. It's certainly not my favorite of Grange's diary novels but I liked it/not loved it.
