Operating in the workplace, visiting study, picking up from exam as well as even more tasks might be completed as well as you should start new points. If you feel so tired, why don't you try brand-new thing? An extremely simple thing? Reviewing No Substitute By Susan Diane Johnson is what our company offer to you will certainly understand. As well as the book with the title No Substitute By Susan Diane Johnson is the referral currently.

The benefits to consider checking out guides *No Substitute By Susan Diane Johnson* are concerning boost your life high quality. The life high quality will not just about the amount of knowledge you will certainly gain. Even you check out the fun or amusing e-books, it will assist you to have enhancing life high quality. Really feeling enjoyable will lead you to do something completely. Furthermore, the book No Substitute By Susan Diane Johnson will give you the driving lesson to take as a good reason to do something. You could not be pointless when reviewing this e-book No Substitute By Susan Diane Johnson

Don't bother if you don't have sufficient time to go to guide store and also hunt for the favourite book to check out. Nowadays, the online publication No Substitute By Susan Diane Johnson is pertaining to provide convenience of reviewing routine. You might not require to go outside to search guide No Substitute By Susan Diane Johnson Searching and downloading and install the publication qualify No Substitute By Susan Diane Johnson in this short article will certainly provide you much better option. Yeah, on-line publication No Substitute By Susan Diane Johnson is a sort of digital e-book that you could obtain in the web link download given.

NO SUBSTITUTE BY SUSAN DIANE JOHNSON PDF

First loves never last . . . except when they do. When Amy Welsh returns to Goose Bay as a substitute teacher, she has no intention of seeing Quentin Macmillan, the man who once left her waiting in the rain clutching her suitcase and dreaming of becoming his wife. Seventeen years later, his teenage daughter shows up in Amy's class with plans to reunite her widowed father with the woman he has always loved. When the assignment is forgiveness and healing, will this young teacher pass the test?

Great book! Well worth the read. Looking forward to more books from this author.

By Teresa E. Snyder

What's not to love about this book? It's true love (high school sweethearts) given a second chance after 17 years. Plus a duck named Rufus! Love and forgiveness - with trust issues thrown in - best describes this book. Don't be fooled into thinking its going to be predictable. Sure, there were a few things I saw coming, but there were just as many that went a completely different direction. I also felt the connection between Quentin and Amy. Quick - because you want to keep reading to see how it all ends - easy, feel good book! I hope the author writes more books just like this one.

Not my Style

By Iola

Amy Walsh has returned to her home town of Goose Bay, Washington, for the first time in seventeen years, covering maternity leave for the English and journalism teacher. One of her brightest students is Shayna Macmillan, who she finds is the daughter of Quentin Macmillan, the high school sweetheart who abandoned her with no explanation and married his beautiful best friend instead. Shayna has been paired with Bradley Baxter for a journalism assignment, and her father is angry when he finds out--angry enough to visit the teacher and demand she change the assignments. He's shocked when he realises the teacher is Amy Welsh, his one-time love.

The Amazon blurb says: "When Amy Welsh returns to Goose Bay as a substitute teacher, she has no intention of seeing Quentin Macmillan, the man who once left her waiting in the rain clutching her suitcase and dreaming of becoming his wife. Seventeen years later, his teenage daughter shows up in Amy's class with plans to reunite her widowed father with the woman he has always loved."

Don't you love it when the blurb gives away half the plot? I actually hadn't read the blurb before reading the book, so I thought best part about the novel was trying to work out the motivation for Shayna's actions, because they didn't seem in character. When the big reveal came at the end, it was a surprise to me, and it explained Shayna's actions nicely. But it won't be a surprise to anyone who's read the blurb.

Amy is thirty-four going on eighteen, and I'm wasn't convinced she had the emotional distance to see Quentin as the man he is today rather than the boy he was seventeen years ago. One minute she's determined never to trust a man or let Quentin anywhere near her heart, the next she's flirting, going on a date with him or kissing him (and not just a peck on the cheek). Even when she was convinced she was seeing the man, not the boy, I felt she was being led by her teenage emotional self, not her adult self.

But Amy wants to know why Quentin never turned up that last night, and it seems that every time they are about to have 'the conversation', they put it off (and those plans kept going awry). Why not just say it?

I was expecting a different reason, so No Substitute scores a plus for the element of surprise, but when the Big Reveal came, I wasn't convinced. It didn't seem logical. I didn't find it realistic that a man who is supposed to be intelligent couldn't come up with another solution. I understand that it was supposed to cement him in our minds as being noble and loyal, but it came across to me as controlling, because that is how I had seen him acting throughout the novel, particularly in relation to his daughter. He certainly wasn't an example of Christian forgiveness in action.

On the plus side, the writing was good and the minor characters, Shayna and Brandon, were excellent--real teenagers who I could believe. Amy, Quentin and Shayna are all Christians, and I thought the spiritual aspects and the underlying theme of forgiveness were handled well, without being preachy. A solid debut novel with several layers and a nice mix of funny and serious.

Thanks to the author for providing a free ebook for review.

No Substitute

By Narelle Atkins

I really enjoyed reading 'No Substitute', a fun and light hearted reunion romance between childhood sweethearts Amy and Quentin. Amy returns to Goose Bay, hoping to get past her teenage infatuation with Quentin once and for all. She never knew the real reason why their teen romance ended and Quentin married someone else so soon after she left town. Quentin's teenage daughter is in Amy's class, and she sets in motion a plan to push her father and Amy together.

Amy and Quentin are fascinating characters who deal with situations that challenge their faith. Amy grows in her faith as she rediscovers Goose Bay and her love for Quentin. He is a lovable hero who is doing his best to raise his teen daughter on his own. We see Quentin's faith in action and his willingness to forgive in difficult and challenging situations. A very cute duck named Rufus also features in the story, set in Washington State. I highly recommend this book to those looking for an entertaining and inspiring Christian romance with a forgiveness theme.

I received a complimentary copy of this book from the author.
