When I ran across this I wasn't sure what it was going to be but it's great! Shorter stories with lovely colorful pictures

By Susie

My grandson who is four is obsessed with Noddy stories. I had finally found all 23 of the original books and although he doesn't mind hearing them over and over I like a little variety. When I ran across this I wasn't sure what it was going to be but it's great! Shorter stories with lovely colorful pictures. Typical Noddy stories with familiar characters like Big Ears the Brownie and Mr. Plod the Policeman.

My two year old loves this collection of Noddy stories with all the familiar characters. The pictures are bright and colourful and the text is uncondescending.
