## Review

"I really like this book and I bet that students will love it. It's not overly theoretical, and it relies on real-world examples. That's a unique and desirable combination of features."--Matt Huffman, University of California, Irvine

"The use of stories is effective in illustrating the ideas of the book; stories draw students in and generate lively discussions in class. The discussion questions at the end of each story are spot on."--Deborah Safron, Michigan State University

"I like Schwalbe's inclusion of steps to action and positive social change. This will be good for students who might otherwise feel hopeless after realizing how entrenched and pervasive inequality is in our world."--Tennille Allen, Lewis University

## About the Author

Michael Schwalbe is Professor of Sociology at North Carolina State University. He is the author of *Unlocking the Iron Cage: The Men's Movement, Gender Politics, and American Culture* (1996), *The Sociologically Examined Life: Pieces of the Conversation* (2007), *Manhood Acts: Gender and the Practices of Domination* (2014), and other books.

# **RIGGING THE GAME: HOW INEQUALITY IS REPRODUCED IN EVERYDAY LIFE BY MICHAEL SCHWALBE PDF**

In *Rigging the Game* Michael Schwalbe offers a clear and compelling introduction to how the rules that shape economic life and everyday interaction generate and perpetuate inequality in American society. Guided by the questions *How did the situation get this way?* and *How does it stay this way?*, Schwalbe tracks inequality from its roots to its regulation. With its lively combination of analysis and stories, *Rigging the Game* is an innovative tool for teaching about the inequalities of race, class, and gender. In the final chapter, "Escaping the Inequality Trap," Schwalbe helps students understand how inequality can be challenged and overcome.

Incredible

By Nicole

This is an amazing book. I'm halfway through. It provides a sociological perspective on the production and daily reproduction of inequality. It mostly focuses on race, gender, and class, and gives an in-depth look at the daily practices that institutionalize inequality. It gives details and specific examples that foster a greater sense of understanding. I suggest EVERYONE read this book. It's written in a very relaxed way, so it's easy to read.
