All in the Name

By Amazon Customer Mongoet

When you say Dailey, McNaught, Palmer, Lowell, you know that a story by one of them has a true depth of feeling and emotion. It's hard to read a story for the first time without a few tears forming. Each rereading over the years brings a catch to your heart. I bought this book when it first came out in paperback. Am very happy to add as an eBook, to continue to enjoy. (sniff, still brings a tear). Love this book!
