A must for the .303 Enfield enthusiast

By Hamish Savage

Most hunters and shooters will have heard about the ole three oh, and most of them will have one in the gun safe. Weather your into hunting or target shooting this book is a must as it goes a bit further than just improving accuracy . There are some performance tips that make it easier to live with too. The modifications, techniques and theories contained in this book give a good insight to modifying and improving rifles in general. If you are in to modifying your own rifles , especially the .303 Enfield this book is a really good read.
