THE BENJAMIN GENERATION BY JOSEPH PRINCE PDF

Most Christians know the end-time generation to be the Joshua Generation. However, few are aware that we are also the Benjamin Generation. For just like Benjamin was the youngest and ?nal son of Jacob, this generation will be God's last and ?nal one before the rapture. This book draws on Old Testament symbols to bring forth prophetic revelations of God's move in these last days.

Accurate. Insightful. Prophetic to our Times

By BGCampbell

A first over-the-shoulder glance at this book cover & title and you are wrought with the thought of "Oh No; another in a long list of New Generations. Another lame bandwagon..." In the past fifty years we have seen the whole gamut of "generations" trek their way through the church. The Elijah Generation, The John The Baptist Generation, the Joshua Generation... and the list goes on. The bare reality of it is, we are a generation post-baby-boom that is weary of the hope and the promise of a dynamic global revival that never comes; and tired of just another group laying claim to the name of the generation that brings it.

This book is none of this!

And, this book includes all of this and bares it directly.

It has been man naming the generations just as Jacobs wives named all his children; and God finally says, ENOUGH! I will name the generation; and there will be no more bread until Benjamin appears before me.

Prince delves into the stories of Jacob and Joseph, and with tremendous insight into Old Testament types & shadows which reveal the New Testament concealed in the Old, he draws out Jesus and the fresh Word of the Lord. As one reads he is instantly conveyed past the fog and brighter spots of the past 50 years into the clear and open air and shining son. One becomes aware that this is not just another bandwagon laying claim to our generation which in times past have left us more like Benoni (Sons of Sorrow); and that finally the Father steps in to change the name to Benjamin (Son of my right hand). You will be elevated; not just inspired. Read it! You deserve it!

how sweet it is

By Coleeny Souther

I love the message by Joseph Prince. THE MESSAGE OF GRACE is what the world is dying to hear.....the gospel not mixed with the law - but through THE ONE WHO CAME to deliver us from darkness into the kingdom of His grace and glory! Don't let fear rob you of the finished work of the cross!
