A refreshingly different type of read!

By Katie

This was a fairly quick read, but I was sucked into it from beginning to end. The style of writing is very different from average books, which I really enjoyed. Interesting subject matter and tone of the book was really refreshing.

Bottom line: Worth reading and would be a great gift for the open minded book worm!!

Darkly poetic

By Cristy

Beautifully written with poetic dream sequences that almost feel like songs, this book takes you deep into the mind of someone losing touch with reality. I found myself having to occasionally put the book down and come back to my own happy reality as I was pulled into the depressive psychosis of the character.
