THE LAST TEACHER: SAINTS, DEMONS AND SELF- DISCOVERY ON THE SPIRITUAL PATH BY MICHAEL L. DALES PDF

The pursuit of spiritual realization is no longer solely the domain of the yogi who sits in a lonely cave in the Himalayas, or the monk who lives an utterly spotless life behind monastery walls. This is a story of awakening, told by an American whose journey took him from India to Bali and back home to himself. Michael was a seeker who explored India with world-renowned teacher Amma, then came face to face with demons at the side of a modern-day Balinese energy master. Along the way he experienced revelations that he once thought were only available to the spiritual recluse. This tale offers some extraordinary glimpses of the Reality that is hidden behind the mundane world—a Reality that is available to anyone. Both the novice seeker and the long-time practitioner of any spiritual discipline will find this genuine account of life on the mystical road entertaining, accessible, and inspiring.

Open, honest and inspiring

By CarolvK

I too didn't want to put this book down! Michael shares his spiritual experiences as he travels with and learns from his teachers with great clarity and humility. His is honest and open about his own path and his wonderings and doubts about his teachers, in addition to his reverence and love for them. I felt as though I were sharing his journey and that has helped me to crystalize, clarify and understand some of my own experiences - an invaluable service to the reader! Thank you, Michael. I await your next book!

Inspirational, honest, simple and delicious food for the one who is wanting to return home to him or herself!

By R.J. van Os

Thank you, Michael for this most delicious book, taking me from my beloved India to Bali. I read the book almost in one go, except for a bit of sleep in between :-). So inspirational, honest and simple at the same time. A helpful read for anyone who is starting, or stuck on the spiritual journey. Thank you! Roelie van Os

Contains Lessons for All

By Becca Chopra

Michael L. Dales' memoir is at once a cautionary tale as well as an inspirational guide for those awakening to their spiritual journey.

Based on journals he kept while a devotee of Amma in India and The Great Healer in Bali, Dales writes an intriguing, honest, behind-the-scenes look at ashram life, following a guru, and both his good and difficult experiences seeking spiritual awakening.

I was especially inspired by his closing words that "anyone who earnestly chooses to embark on a spiritual journey - regardless of what they believe about themselves - can become a vessel for the Light that illuminates the world." And the world needs Light Workers today more than ever.

Namaste!

Becca Chopra, author of The Chakra Energy Diet
