From the Back Cover

What was the Tabernacle of Israel really like? How was this portable place of worship constructed? How did the priesthood function, and what role did the Tabernacle play in the life of the average person? What significance does the Tabernacle have for the Christian? These and many other questions are answered in this fascinating study of Israel's first place of worship.

One of the nineteenth century's most respected Bible scholars, Dr. James Strong spent some thirty years of systematic study in preparing The Tabernacle of Israel. Using two broad categories for his study of the Tabernacle—its structure and its symbolism—Strong provides a detailed picture of the history, construction, function, and significance of Israel's "tent of meeting." Also included are thirty-nine drawings and illustrations, detailing the design of the Tabernacle and its parts.

James Strong (1822–94), LL.D., S.T.D., graduated from Wesleyan University and served as professor of biblical literature at Troy University and later as professor of exegetical theology at Drew Theological Seminary. Dr. Strong was the author of numerous works, including his famous Exhaustive Concordance of the Bible.

THE TABERNACLE OF ISRAEL: ITS STRUCTURE AND SYMBOLISM BY JAMES STRONG PDF

From the Author of Strong's Exhaustive Concordance... For more than thirty years the subject of this work has been an earnest study with the author, and in the course of his investigation and comparisons he has procured and carefully examined every book of note treating upon it. The author has endeavored to unravel the entanglements which have hitherto baffled the skill and learning of interpreters and tried to make the whole of the tabernacle plain to the average comprehension.

Older But Still Relevant From a Sure Source

By Dale W. Wong

James Strong is well-known for his 'Strong's Concordance' but not so well-known for this highly interesting book. It is an essential, introductory read for anyone who studies the 'tent of meeting' and 'tabernacle of testimony' (Strong rightly points out that the term 'tabernacle of meeting' and 'tabernacle of the congregation' is incorrect), be they part-time bible student or serious researcher. He steps the reader through the meaning of words by describing the components of the structure from the outside inward; the opposite to the way it is described in the book of Exodus. The book is packed with many interesting facts and his views on the possible symbolism of the structure is fascinating. Its deficiency is a lack of figures to thoroughly make the points but the figures he has are sufficient to navigate the more difficult concepts. It is recommended for those who want a serious read on the subject but easy enough to understand for those with a moderate to strong understanding of the Old Testament.

Tabernacle of Israel

By David Buckner

The most informative book I've ever seen on the Tabernacle. It's nice to see something with this much depth on this subject on the market.

Just as suggested by family member

By George/Jessica Schwartz

Great detail from an old pro who has enhanced our collective understanding of the scriptures. I need to reread this.
