Very taboo, very naughty, very hot. After reading this series July Cumming is one of my new favorites! There's nothing 'slow' about these books, July just writes realistic characters who experience changes from the beginning to the end.

All in all this was a very good follow-up to a great first story.

First off... Great cover.

~Spoilers ahead~

This second short in this 'Voices Carry' series was fun, exciting... but not as good as the first in the series.

Don't get me wrong. I enjoyed this story. It was f\*\*\*ing taboo as hell, and I love that stuff\*. Now... let's get into this review, shall we? Thanks.

The use of traditional English, over commonly used slang annoyed the f\*\*\*ing hell out of me. What's so tough about using "I'll" instead of "I will" or "We're" instead of "We are"? I don't get it. We don't live in 1800's England. It's 20-f\*\*\*ing-15. But in saying that, that's literally my only complaint.

The characters are nicely fleshed out. The story is paced well. The masturbation in this story... wow! I never thought masturbation could be written so vividly. And for the first time in this series, people f\*\*\*, suck, and jizz is swallowed. The sex scene, and Tom's blowjob scene were hot as heck. The way he face-f\*\*\*ed that young piece of @\$\$. I had to rub one out. I mean... not to would just be wrong. No. It would be insulting to the author. seriously... if you write erotica, which I do, to know someone read your erotica short, novel, whatever, and didn't j@ck-off, or even give themselves a little attention, would be a massive f\*\*\*ing bummer. For real.

All in all this was a very good follow-up to a great first story.

oh my.....

By Channelling Colee

I enjoyed the story immensely but my only dislike was how often she referred to her father as a daddy. It was clear in the beginning that is her father/stepfather but she just kept saying it over and over and over again. If that was taken out I would give it five stars. I'm eager to see how the story continues because it's actually quite interesting. You have to read the synopsis very clearly it lets you know that there is no inappropriate father daughter interaction so don't get it twisted because it's not creepy.
